To Whom It May Concern,

I am writing this letter to recommend Luna Bozeman enthusiastically for a Mathematical Sciences Award.

Luna is a senior Mathematical Sciences BS major whose emphasis area is Operations Research. She has a 4.00 GPA, and she is minoring in both Japanese and engineering (cluster). Wow! She has a job waiting for her at SAS.

Sincerely,

Mark E. Cawood, Ph.D.  
Senior Lecturer  
Actuarial Science Academic Adviser  
Mathematical Sciences  
Clemson University
