Re: Nomination of Shayne L. Erickson for undergraduate award

Dear members of the committee:

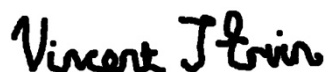

I would like to bring Shayne Erickson to your attention as a possible awardee for a School award.

Shayne was a student in my MATH 3110 (Fall 2018) and MATH 4340 (Fall 2019) classes. In both classes he earned a grade of A.

What I think I know of Shayne:

- (i) During the Fall semester 2018 he changed his major from engineering to mathematics,
- (ii) Last summer he had an REU in the EE Dept. at the University of Arkansas,
- (iii) He has a double minor in Physics and Economics,
- (iv) He is planning to attend graduate school, possibly in Economics.

Yours Sincerely,

Vincent J. Ervin
Professor, School of Mathematical and Statistical Sciences
