Re: Nomination of David Lynge for undergraduate award

Dear members of the committee:

I would like to bring David Lynge to your attention as a possible awardee for a School award.

David was a student in my MATH 4340 (Fall 2019) classe. He earned a grade of A.

What little I know of David:

David did not take notes in class. His questions showed a deep grasp of the presented material.

Yours Sincerely,

A handwritten signature in black ink that reads "Vincent J. Ervin". The signature is written in a cursive style with a large, stylized "V" and "E".
